DAY 1 - 26 NOV 2021 (FRIDAY)

Two exciting summit days lay ahead of us, in which the spotlight from the whole Asia Pacific region will shine on an industry called PropTech (Property Technology).

100+ speakers, from 23+ nations, will be sharing their knowledge, insights, and deliberations with the summit delegates, in a panel-like format. All sessions will be moderated by a guest speaker, enticing our panelists to encouraging discussions.

The Property Industry will get a unique window into the PropTech world.

Day 1
We kick off the event with some formalities and various extra-ordinary speakers, MoU signing sessions until we get into the real meat of the summit. On day one we look into the various verticals, with more elaboration later in the day on the Plan & Construct verticals.

Day 2
Day two we will fully emphasize on the other three verticals of the event. The Transact, Manage & Educate verticals will leave plenty of room for discussions. On day two we also have a large number of esteemed speakers ready to interact with our summit delegates.
